**NOTICE OF CORRECTION**

Issue Date: September 27, 2005

The Commission issued its Report and Order on September 26, 2005. Ordered Paragraph 3, on pages 27-28, contains a list of exchanges in which the Commission granted Southwestern Bell Telephone, L.P., d/b/a SBC Missouri, competitive classification for business services. Ordered Paragraph 5, on page 28, contains a list of exchanges in which the Commission denied SBC Missouri’s request for competitive classification for business services. Both lists contain the Moberly exchange. However, the body of the order, on pages 19-20, properly indicates that the Commission denied SBC Missouri’s request for competitive classification in the Moberly exchange. Therefore, Ordered Paragraph 3 shall be corrected to delete the reference to the Moberly exchange.

The order also contains an error on page 18. The first sentence of the last paragraph currently reads “SBC Missouri requests competitive classification for business services in the following 29 exchanges . . . .” The word “business” should be “residential.” The order is hereby corrected to read “SBC Missouri requests competitive classification for residential services in the following 29 exchanges. . . .”

In addition, on page 20, the first sentence is hereby corrected to read “In 25 of the 29 exchanges in which SBC Missouri requests competitive classification for residential services . . . .” The page numbers in the Table of Contents, on page 1, are also hereby revised.

A copy of the Corrected Report and Order is attached to this notice.
