OF THE STATE OF MISSOURI**

In the Matter of Level 3 Communications, LLC's)
Tariff Filing to Introduce Revised Tariff Pages) File No. TT-2011-0324
For Its Access Services Tariff, Mo. P.S.C.) Tariff No. JX-2011-0488
Tariff No. 4.)

RECOMMENDATION TO SUSPEND TARIFF

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, and recommends that the Missouri Public Service Commission (Commission) suspend the proposed tariff revisions included in the tariff filing JX-2011-0488, and respectfully states the following:

1. On March 29, 2011, Level 3 Communications, LLC ("Level 3") filed tariff revisions that were assigned the tariff tracking number JX-2011-0488. After extensions and discussions, the tariff filing is presently dated to become effective on April 29, 2011.

2. In the attached Memorandum, the Staff explains that it cannot presently determine whether the proposed revisions comply with Missouri law and comport with the company's existing tariff before the tariff effective date and asks that the Commission grant AT&T's Motion to suspend the tariff filing. The Staff suggests that the tariff filing be suspended for a period of sixty days. If the matter can be resolved more quickly, the Staff will, in its recommendation to approve the filing, ask that the suspension be lifted and the tariff filing made effective on a certain date. If the 60-day period is not sufficient, the Staff will request a further suspension.

WHEREFORE, the Staff respectfully requests that the Commission suspend the Level 3 tariff filing referred to as JX-2011-0488.

Respectfully submitted,
