**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, and recommends that the Missouri Public Service Commission (Commission) suspend the proposed tariff revisions included in the tariff filing JX-2011-0512, and respectfully states the following:

1. On April 6, 2011, tw telecom of kansas city, llc ("the Company") filed tariff revisions that were assigned the tariff tracking number JX-2011-0512, to replace its existing Access Tariff No. 12 in its entirety. The tariff filing was dated to become effective on May 6, 2011, but the Commission suspended the effective date until July 3, 2011, upon the Staff's recommendation.

2. As set forth in the attached Memorandum, the Staff no longer opposes the tariff filing, as the Company has made the necessary changes and is current and compliant with all other Commission rules, assessments and reports.

3. The Staff suggests that the tariff filing be approved to take effect as soon as practicable.

**WHEREFORE**, the Staff respectfully requests that the Commission approve the Company's tariff filing referred to as JX-2011-0512.

Respectfully submitted,
