REQUEST FOR ADDITIONAL TIME

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, and reports as follows:

1. On March 29, 2011, Level 3 Communications, LLC ("Level 3") filed tariff revisions that were assigned the tariff tracking number JX-2011-0488, to which AT&T objected. After extensions and suspensions, the tariff is scheduled to take effect on July 28, 2011.

2. On June 22, 2011, The Commission issued an order extending the effective dates (by agreement of all the participants) and required the Staff to file a Recommendation as to the merits of the tariff filing no later than July 1.

3. The Staff, on June 29, asked for additional time in which to file its Recommendation because it had sent out data requests and could not file its recommendation until it received and reviewed the responses.

4. After discussing the matter with the parties, Staff now requests an extension of time, up to and including July 7, 2011, to reach consensus on the dates for the Prehearing Conference and the filing of the Staff Recommendation.

WHEREFORE, the Staff respectfully requests an extension of time until July 7, 2011.

Respectfully submitted,
