STAFF REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, and recommends that the Missouri Public Service Commission (Commission) suspend the proposed tariff revisions included in the tariff filing JX-2011-0488, and respectfully states the following:

1. On March 29, 2011, Level 3 Communications, LLC ("Level 3") filed tariff revisions that were assigned the tariff tracking number JX-2011-0488. After extensions and suspension for 60 days, the tariff is scheduled to take effect on June 29, 2011.

2. Although the Staff has had discussions with both AT&T and Level 3, it has not resolved all of the outstanding issues. On the other hand, the Staff is not ready to request that the tariff be further extended at this time. The Staff expects to continue to attempt to resolve the matter, and will file its Recommendation as soon as possible. Although the Staff hopes to file early next week, it will certainly file its recommendation no later than 10:00 am on June 27, 2011.

WHEREFORE, the Staff respectfully requests that the Commission accept this Report in lieu of a Recommendation today and will allow it to file its recommendation no later than 10:00 am on June 27, 2011.

Respectfully submitted,
