ORDER APPROVING TARIFF SHEETS

On January 20, 1995, West Elm Place Corporation (West Elm) filed tariff sheets pursuant to the Order issued by the Commission in this case on December 28, 1994. On February 17, 1995, West Elm voluntarily extended the effective date of the tariff sheets to March 2, 1995. On February 27, 1995, West Elm filed substitute tariff sheets designed to correct typographical errors and to incorporate a Staff request. West Elm also voluntarily extended the effective date of the tariff sheets to March 10, 1995. On February 28, 1995, the Staff of the Commission (Staff) filed a memorandum recommending that the Commission approve the tariff sheets for service on and after March 10, 1995.

Based on Staff's recommendation, the Commission finds that West Elm's proposed tariff sheets are in compliance with the Commission's Order of December 28, 1994. Thus, the Commission determines that the tariff sheets filed by West Elm on January 20, 1995 and substituted on February 27, 1995, should be approved for service on and after March 10, 1995.

IT IS THEREFORE ORDERED:

1. That the following tariff sheets filed by West Elm Place Corporation are hereby approved for service on and after March 10, 1995:

P.S.C. MO. No. 2
