SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of Carrier

Carrier provides long distance message toll telephone service to business and residential customers for their direct transmission of voice, data, and other types of telecommunications.

Communications originate when the customer accesses Carrier directly or through the facilities of the local service carrier via one or more access lines, equal access or on a dial-up basis. Carrier may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Carrier network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services are provided on a monthly basis and are available twenty-four (24) hours per day, seven (7) days per week. The minimum service period is one month (30 days).

2.2 Limitations on Service

- 2.2.1 Carrier reserves the right to provide services only to and from locations where the necessary facilities and/or equipment are available.
- 2.2.2 Carrier reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.
- 2.2.3 Title to any equipment provided by Carrier under these regulations remains with Carrier. Prior written permission from the company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees.

2.7.7 Taxes and Surcharges

All state and local taxes (i.e. sales tax and municipal tax) are listed as separate line items and are not included in the quoted rates. All charges and fees subject to Commission jurisdiction, except taxes and franchise fees, will be submitted to the Commission for prior approval.

Additional surcharges and fees not subject to the Commission jurisdiction may appear on the Customer bill (i.e. Federal Universal Service Fund, Federal End User Common Line Charge). The Customer's bill may also contain charges that are pass through charges from another Company (i.e. collect calls, directory assistance, 900 calls). These charges will be assessed at the billing company's rates.

2.7.8 Application of Charges

The charge for service are those in effect for the period that service is furnished.

2.8 Carrier Responsibility

2.8.1 Calculation of Credit Allowance

Pursuant to limitations set forth herein, when service is interrupted the credit allowance will be computed on the following basis:

- A. No credit shall be allowed for an interruption of less than two hours.
- B. When a minimum usage charge is applicable and the customer fails to meet a usage minimum credit, the outage shall be applied against that minimum equal to 1/360th of the monthly minimum charges associated with the portion of service disabled for each period of two hours or major fraction thereof that the interruption continues beyond two hours.
- C. Carrier will try its best to resolve any disputes properly brought to its attention. Unresolved disputes may be directed to the attention of the Missouri Public Service Commission.

3.7 Service Offerings

The company provides the following services:

3.7.1 Message Toll Service (MTS)

Long distance dialing is achieved by customer's telephone lines being programmed by the local telephone company (LEC) to automatically route 1+ calls to the Company's network.

3.7.2 Inbound 800/888 Service

- A. Inbound service is an inbound toll service which permits calls to be completed at the subscriber's location without charge to the calling party. Access is gained by dialing a ten digit telephone number which terminates at the customer's location. Inbound services originate via normal shared use facilities and are terminated via the customers' local exchange service access line.
- B. Carrier will accept a prospective customer's request for up to ten 800/888 numbers and will reserve such number(s) on a first come first serve basis. All requests for number reservations must be made in writing, dated and signed by a representative of the customer. Carrier does not guarantee availability of number(s). Requested number(s), if available, will be reserved for and furnished to the eligible customer.
- C. If a customer receives an 800/888 number and does not subscribe to inbound service in 90 days, the company may assign the number to another customer.
- D. The Company will participate in porting toll-free numbers only if the account balance is zero and all undisputed charges incurred as a result of the toll-free number have been paid.
