APPLICATION OF TARIFF

This tariff sets forth the service offerings, rates, terms and conditions applicable to the furnishing of basic local telecommunications services by Snappy Phone of Texas, Inc., (hereinafter "Company") with principal offices at 6901 W. 70th Street, Shreveport, LA, 71129. This tariff applies to services furnished in the State of Missouri. This tariff is on file with the Missouri Public Service Commission ("Commission"), and copies can be inspected there and at Company's principal place of business during normal business hours.

Snappy Phone of Texas, Inc. is a reseller of residential telephone service, selling on a pre-paid basis only. Target markets are consumers with credit problems who cannot obtain conventional telephone service, those who need to know exactly how much their phone bill will be each month, i.e. those on fixed incomes, and those who need service for shorter periods of time, such as students and military personnel, and those unable to provide the deposits required by other CLEC's or ILEC's.

TARIFF FORMAT

- A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially; however, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be 11.1.
- B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.
- C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
 - 2.
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)

SECTION 2 – RULES AND REGULATIONS2.1 Undertaking of the Company

This tariff contains the regulations and rates applicable to local resale telecommunications services provided by Snappy Phone for telecommunications between points within the State of Missouri. Resale services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the Company's services shall file a service application with the Company which fully identifies the Customer, the services requested and other information requested by the Company. Applications for initial or additional service made verbally or in writing become a contract upon the establishment of the service.

Additionally, Snappy Phone shall be responsible for the marketing practices of its contracted dealers and for their compliance with this provision. Snappy Phone understands that violation of this provision could result in a rule to show cause as to the withdrawal of its certification to complete local telecommunications traffic within the State of Missouri.

In accordance with interconnection agreements with Southwestern Bell, Snappy Phone will provide intrastate telecommunication services in the following exchanges:

2.2 Use of Services

- 2.2.1 Snappy Phone's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2
- 2.2.2 The use of Snappy Phone's services to make calls which might reasonably be expected to frighten, abuse, torment or harass another or in such a way as to unreasonably interfere with use by others is prohibited.
- 2.2.3 The use of Snappy Phone's services without payment for service or attempting to avoid payment by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.
- 2.2.4 Snappy Phone's services are available for use 24 hours per day, seven days per week.
- 2.2.5 Snappy Phone does not transmit messages, but the services may be used for that purpose.
- 2.2.6 Customers shall not use the service provided under this tariff for any unlawful purpose.
- 2.2.7 The customer is responsible for notifying the Company immediately of any unauthorized use of services.

2.3 Liability of the Company

2.3.6 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service.

2.3.7 The remedies set forth herein are excluding and in lieu of all other warranties and remedies, whether express, implied, or statutory, **including without limitation implied warranties of merchantability and fitness for a particular purpose.**

2.3.8 With respect to Emergency 911 Service:

- A. Snappy Phone is obligated to supply the E-911 service provider in the Company's service area (the E-911 Service Provider) with accurate information necessary to update the E-911 database at the time the Company submits customer orders to the local exchange company whose service is being resold pursuant to this tariff.
- B. At the time Snappy Phone provides basic local service to a customer by means of the Company's own cable pair, or over any other exclusively owned facility, Snappy Phone will be obligated to make the necessary equipment or facility additions in the E-911 service provider's equipment in order to accurately and properly update the database for E-911.
- C. At the time Snappy Phone provides basic local service by means of its own cable pair or over any other exclusively owned facility, the Company will be obligated to provide facilities to route calls from the end users to the proper Public Safety Answering Point. You'll receive a telephone bill each month at least 21 days in advance of your due date. Snappy Phone provides basic residential telephone service only (including access to 911 and toll-free 800 services) and the custom calling services listed below on a prepaid basis and payment in full is due on your due date. Long distance service is not provided by Snappy Phone of Texas, Inc. and you will not have access to the following calls, which will be blocked by Snappy Phone of Texas, Inc.: long distance, toll, third-number billed calls, incoming collect calls and local or long distance operator services, including local and long distance directory assistance. Snappy Phone does not require a deposit for service.

A one-time activation fee and the first month's service charge, plus associated taxes, are required to initiate service. The initiation fee is 100% refundable upon request for termination of service within 10 business days following the date upon which the Statement of Rights and Responsibilities is mailed by first class mail or hand delivered to the customer. The recurring monthly service charge, plus associated taxes, shall be pro-rated for the actual number of days which service has been provided with the non-used portion being refunded to the customer.

All monthly service charges must be paid in full within 21 days of the date of the rendition of the bill. If we do not receive your payment within 21 days, your service is subject to suspension or disconnection. When paying by mail be sure to allow enough time for your payment to reach our office by the due date.

Disconnection of Telephone Service

Your telephone service is subject to disconnection for any of the reasons below. If your number is disconnected, a new telephone number will be assigned and you will be required to pay the activation fee again.

- 1) Nonpayment of an undisputed delinquent charge.**
- 2) Unauthorized use of telephone equipment in a manner which creates an unsafe condition or creates the possibility of damage or destruction of such equipment.**
- 3) Refusal to permit inspection, maintenance, or replacement of telephone equipment, with reasonable notice.**
- 4) Material misrepresentation of identity in obtaining telephone service: and as provided by state or federal law.**
- 5) Failure to comply with the terms of a settlement agreement.**

The Company will postpone a discontinuance for a time not in excess of twenty-one days if the telephone is necessary to obtain emergency medical assistance for a person who is a member of the household where the telephone service is provided and where such person is under the care of a physician. Any person who alleges such emergency, if requested, shall provide the Company with reasonable evidence of such necessity.

Reconnection of Service

If service has been disconnected, Snappy Phone will restore service when the reason for disconnection is remedied. The following will be required:

- 1) Payment of all undisputed amounts must be received by Snappy Phone, Inc. or its authorized Agent.**

Issued: 05/23/00

Effective: July 7, 2000

- 2) Installation/reconnect charges must be paid if service has been disconnected.**
- 3) One month's advance payment has been made.**

Procedures for Handling Inquiries and Complaints

Inquiries and complaints may be directed to Snappy Phone by telephone at 1-888-913-9565 or in writing to Snappy Phone of Texas, Inc., P. O. Box 29620, Shreveport, LA, 71149.

Filing a Complaint with the Missouri Public Service Commission

If a complaint cannot be resolved by Snappy Phone, you may call the Missouri Public Service Commission, toll free, at 1-800-392-4211 to file an informal complaint.

If the complaint cannot be resolved informally, you may file a formal complaint in writing with the Missouri Public Service Commission at P. O. Box 360, Jefferson City, Missouri, 65102.

Also, the Missouri Office of Public Counsel, representing the public before the Public Service Commission, has an office at 301 West High Street, 2nd floor, Jefferson City, MO, 65101. Their telephone number is (573) 751-4857.

2.5 Cancellation or Interruption of Services

2.5.1.A Without incurring liability, Residential Service may be discontinued for any of the following reasons:

- 1) nonpayment of an undisputed delinquent charge**

- 2) unauthorized use of telephone utility equipment in a manner which creates an unsafe condition or creates the possibility of damage or destruction on such equipment.
- 3) failure to substantially comply with terms of a settlement agreement.
- 4) refusal after reasonable notice to permit inspection, maintenance or replacement of telephone utility equipment.
- 5) material misrepresentation of identity in obtaining telephone service.
- 6) as approved by federal or state law.

Without incurring liability, Snappy Phone may interrupt the provision of services at any time in order to perform tests and inspections of Customer and Snappy Phone's equipment and may continue such interruption until any items or improper equipment operation so identified are rectified.

Snappy Phone of Texas, Inc. also adheres to the following:

- 1) Residential service may not be discontinued by Snappy Phone for failure to pay charges not subject to the Missouri Public Service Commission's jurisdiction unless specifically authorized in Snappy Phone of Texas, Inc.'s tariffs approved by the Commission.
- 2) Residential service may be discontinued during normal business hours on or after the date specified in the notice of discontinuance. Service shall not be discontinued on a day when the offices of Snappy Phone are not available to facilitate reconnection of service or on a day immediately preceding such day.
- 3) Residential customers shall have a minimum of 21 days from the rendition of a bill to pay the charges stated.

Issued: 05/23/00

Effective: July 7, 2000

By:

R. D. Hyde, Jr., Chairman
6901 West 70th Street
Shreveport, LA 71129

- 4) Residential service shall not be discontinued unless written notice by first class mail is sent or delivered to the customer at least 10 days prior to the date of the proposed discontinuance.
- 5) At least 24 hours preceding a discontinuance, Snappy Phone shall make reasonable efforts to contact the customer to advise them of the proposed discontinuance and what steps must be taken to avoid it.
- 6) Notices of discontinuance shall contain the following information:
 - a) name, address and telephone number of the customer
 - b) a statement of the reason for the proposed discontinuance and the cost to the customer for reconnection
 - c) the date after which service will be discontinued without appropriate action taken
 - d) how a customer may avoid the discontinuance
 - e) the customer's right to enter into a settlement agreement if the claim is for a charge not in dispute and the customer is unable to pay the charge in full
 - f) the telephone number where the customer may make an inquiry
 - g) a statement that this notice will not be effective if the charges involved are part of an unresolved dispute
 - h) a statement of the exception for medical emergency as follows:

Residential Medical Emergency Snappy Phone will postpone a discontinuance for a time not in excess of 21 days if telephone is necessary to obtain emergency medical assistance for a person who is a member of household where the service is provided and where such a person is under the care of a physician. Any person who alleges such an emergency shall, if requested, provide Snappy Phone with reasonable evidence of such necessity.

The Customer will receive credit for service interruption beginning when the customer reports the interruption to Snappy Phone's Customer Service Department and end when service is restored to the demarcation point. Credits for interruptions that are reported during non-business hours are calculated in the same manner.

2.7 Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission.

2.8 Deposit

The Company does not require deposits.

2.9 Payment and Billing

2.9.1 Service is provided and billed on a cycle billing basis, beginning on the date that service becomes effective, with bills received by the customer on or about the same date each month. Billing is payable upon the same date each month.

2.9.2 Snappy Phone will not alter the residential billing cycle unless affected customers are sent a written notice explaining the alteration not less than 30 days prior to the effective date of the alteration. No notification is required when a customer requests a number or billing change or when the customer disconnects and reconnects service or transfers service from one premises to another.

- 2.9.3 Snappy Phone allows residential customers at least 21 days from receipt of their bill to pay billed charges.
- 2.9.4 Snappy Phone charges a \$10.00 Line Reservation fee for delinquent residential balances. This fee allows Snappy Phone to maintain the customer's telephone number and active service for accounts not paid in full on their due date.
- 2.9.5 All bills are presumed accurate, and shall be binding on the customer unless objection is received by the Company, orally or in writing, within 30 days from rendering of their bill. Credits, refunds, or adjustments shall be granted only if demand therefor is received by the Company, supported by sufficient documentation to enable investigation of the disputed amount, in writing within such limitation period.
- 2.9.6 Snappy Phone sets forth the following on residential bills:
- A. The number of access lines for which charges are stated
 - B. The beginning and ending dates of the billing period
 - C. The date the bill becomes delinquent
 - D. The total amount due, including the amount for basic service and any unpaid balance
 - E. An itemization of the amount due for taxes, franchise fees, Relay Missouri surcharges, 911 surcharge and other surcharges as may be appropriate
 - F. A telephone number where inquiries may be made.
- 2.9.7 Snappy Phone provides each customer written notice which contains an itemized account of the charges for the equipment and service for which the customer has contracted at the inception of the contracted service.

2.10 Collection Costs

In the event Company is required to initiate legal proceedings to collect any amounts due to Company for regulated or non-regulated services, equipment or

G. Caller I.D. - enables the customer to view on a display unit the Calling Party Directory Name and/or Number on incoming telephone calls.

When a Caller ID is activated on a customer's line, the CPN of incoming calls are displayed at the Called CPE (Consumer Provided Equipment) during the first, long silent interval of the ringing cycle.

Per line blocking for the blocking of CPN will be available upon request, at no charge, only to the following entities for lines over which the official business of the agency is conducted, including those at the residences of employees/volunteers, where an executive officer of the agency registers a need for blocking and provides the required certification to Snappy Phone; a private, nonprofit, tax-exempt, domestic violence intervention agencies and federal, state, and local law enforcement agencies. The CPN will not be transmitted from a line equipped with this capability. Per line blocking is operational on a continuous basis but can be deactivated by the customer by dialing an access code immediately prior to placing a call.

Line blocking customers can unblock their CPN information on a per call basis, at no charge, by dialing an access code (#82 on their TouchTone pad or 1182 from a rotary phone) immediately prior to placing a call.

A customer may prevent the delivery of the calling name and or number to the called party by dialing an access code (#67 on their TouchTone pad or 1167 from a rotary phone) immediately prior to placing a call. The access code will activate per call blocking, which is available at no charge. If the calling party activates blocking, the CCPN will not be transmitted across the line to the called party. Instead, calling Line Identification customers

will receive an anonymous indicator. This anonymous indicator notifies the called Caller ID customer that the calling party has elected to block the delivery of their name and telephone number. The blocking of CPN will not be provided on calls originating from Customer-owned Pay Telephone Service. If the called Caller ID customer also subscribes to Anonymous Call Rejection, the calling party will be routed to a telephone company recording advising the caller that the called party will not accept calls whose CPN has been blocked.

Any customer subscribing to Caller ID will be responsible for the provision of a display device which will be located on the customer's premises. The installation, repair, and technical capability of that equipment to function in conjunction with the features specified herein will be the responsibility of the customer. The company assumes no liability and will be held harmless for any incompatibility of this equipment to perform satisfactorily with the network features described herein.

Telephone CPN information transmitted via Caller ID is intended solely for the use of the Caller ID subscriber. Resale of this information is prohibited by this tariff. CPN will not be displayed if the called party is off-hook or if the called party answers during the first ring interval. CPN will be displayed for calls made from another central office only if it is linked by appropriate facilities. Caller ID is not available on operator handled calls.

H. Call Trace/Anonymous Calls

Customers receiving annoying or anonymous calls may request (1) a telephone number change, which will be provided at non charge by Snappy Phone or (2) the capability to utilize Call Trace on a per activation basis, as

needed. Call Trace allows the customer to dial a code (*57) to automatically request that the following information be recorded:

The originating telephone number

The date and time of the call

The date and time call trace was activated

When Call Trace successfully identifies a calling number, a recording instructs the customer to call toll free number, which will activate a Voice Response script and assist the customer in establishing an open file. In exchanges where Southwestern Bell Telephone service is being resold. Should the customer decide to prosecute the call originating party, the customer should contact Snappy Phone for further instructions. Activation of Call Trace never authorizes Snappy Phone to provide the called party with the name or telephone number of the calling party. In the event that Call Trace is not available or is unable to resolve the case, it may be necessary to place a manual trap on the customer's telephone line.
