Re: 4 CSR 240-123.080 Code for Modular Units

Dear Secretary Ashcroft,

CERTIFICATION OF ADMINISTRATIVE RULE

I do hereby certify that the attached is an accurate and complete copy of the proposed amendment lawfully submitted by the Missouri Public Service Commission.

The Public Service Commission has determined and hereby certifies that this proposed amendment will not have an economic impact on small businesses. The Public Service Commission further certifies that it has conducted an analysis of whether there has been a taking of real property pursuant to section 536.017, RSMo 2016 that the proposed amendment does not constitute a taking of real property under relevant state and federal law, and that the proposed amendment conforms to the requirements of 1.310, RSMo, regarding user fees.

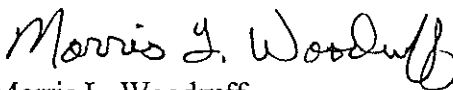

The Public Service Commission has determined and hereby also certifies that this proposed amendment complies with the small business requirements of 1.310, RSMo, in that it does not have an adverse impact on small businesses consisting of fewer than fifty full or part-time employees or it is necessary to protect the life, health, or safety of the public, or that this rulemaking complies with 1.310, RSMo, by exempting any small business consisting of fewer than fifty full or part-time employees from its coverage, by implementing a federal mandate, or by implementing a federal program administered by the state or an act of the general assembly.

ADMINISTRATIVE RULES

(B) Effective January 1, 2011, every dealer or manufacturer who sells a modular home to be placed in Missouri shall be required to have the purchaser of such modular unit sign and date an acknowledgement that the dealer or manufacturer has offered the fire sprinkler system in conjunction with the sale of the home. Such acknowledgement shall be contained in or attached to the purchase agreement or sales contract. The acknowledgement must be signed by both the purchaser and the dealer or manufacturer or his/her legal representative. The purchaser of a modular unit is responsible for the cost of any fire sprinkler system installed in the home.

(4) This rule incorporates by reference the full text of the material listed in section (3).

(5) All modular units shall meet or exceed the Seismic Zone requirements (A, B, C, D1, D2 or E as defined in the applicable code in section (3) above) for the area in which the modular unit is placed. Modular unit plans submitted by a manufacturer under 4 CSR 240-123.040 shall specify the Seismic Zone for which the unit is built as well as the location where the unit will be placed. If a unit is built for open placement throughout the state of Missouri, the manufacturer and the [dealer/selling agent] **dealer or dealer's agent** is responsible to ensure the unit is placed in the proper seismic area for which the unit is built.

(6) Each modular unit shall bear a data plate affixed in a permanent manner near the main electrical panel or other readily accessible and visible location. Each data plate must be covered with a material that will make it possible to clean the data plate of ordinary dirt without obscuring the information. Each data plate shall include the following information at a minimum: name and address of manufacturer, serial and model number of the unit, date the unit was manufactured, code the unit was built to, seismic zone listing, [type of foundation the unit is designed for,] name and address of the third party engineering agency that reviewed and approved the plans submitted by the manufacturer under 4 CSR 240-123.040.

(7) All modular units manufactured on or after July 1, 1976, shall be set up or installed according to the manufacturer's installation manual **and approved foundation plans**.

(8) [Installation instructions] **The manufacturer's installation manual** must be approved by the third party for all field installed components and any other process relating to the assembly of the modular unit(s) and any completed unit may be subject to on-site field inspection.
