In the Matter of a Proposed Rulemaking to)
Establish 4 CSR 240-33.170, Relay Missouri)
Surcharge Billing and Collections Standards)

Case No. TX-2008-0392

NOTICE OF FINDING OF NECESSITY

The amendment to 4 CSR 240-33.170 Replay Missouri Surcharge Billing and Collection Standards clarifies which telecommunications companies must collect and remit the surcharge, to which services the surcharge applies and establishes standards for record-keeping and timely remitting the surcharge. Although companies are already remitting the surcharge in compliance with statutory requirements certain uncertainties and inconsistencies caused the Commission to determine that a rule was necessary.
