RENEWED RECOMMENDATION TO APPROVE TARIFF

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, and recommends that the Missouri Public Service Commission (Commission) approve the proposed tariff revisions included in the tariff filing JX-2011-0488, and respectfully states the following:

1. On March 29, 2011, Level 3 Communications, LLC ("Level 3") filed tariff revisions that were assigned the tariff tracking number JX-2011-0488.
2. After requests by both the Staff and AT&T, the tariff filing is presently suspended. The Staff recommended approval of the tariff revisions on August 4, 2011. After more discussion among the Parties, Level 3 amended its proposed tariff language and AT&T has withdrawn its objection.
3. As the Staff explained in its prior Recommendation, it believes the proposed revisions comply with Missouri law and comport with the company's existing tariff. The Commission should approve it without further delay.

WHEREFORE, the Staff respectfully renews its request that the Commission approve the Level 3 tariff filing referred to as JX-2011-0488 or allow it to take effect by operation of law.

Respectfully submitted,
