STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On September 21, 2020, Southwestern Bell Telephone Company, d/b/a AT&T Missouri (AT&T Missouri) filed with the Missouri Public Service Commission its Application for Approval of an Amendment to a Negotiated Interconnection Agreement between it and Comcast Digital Phone.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection or resale agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Amendment was filed with the Application. AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier and a registered Interconnected Voice over Internet Protocol provider. It also holds a video service authorization. Comcast Digital Phone is a competitive local exchange and interexchange carrier.

WHEREFORE, Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any other modifications or amendments to the Interconnection Agreement.

Respectfully submitted,

/s/ Casi Aslin
