## ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING CONSOLIDATED COMMUNICATIONS A PARTY

Issue Date: October 12, 2021

Effective Date: October 12, 2021

This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the Interconnection Agreement, Consolidated Communications of Missouri Company (Consolidated Communications) as a party to this proceeding.

On October 1, 2021, Charter Fiberlink – Missouri, LLC, filed an application with the Commission for approval of a negotiated Interconnection Agreement with Consolidated Communications under the provisions of the Federal Telecommunications Act of 1996. Charter Fiberlink – Missouri, LLC states that there are no unresolved issues and that the Agreement complies with Section 252(e) of the Act in that it is consistent with the public interest, convenient and necessary, and is not discriminatory to nonparty carriers.

Although Consolidated Communications is a party to the Agreement, it did not join in the application. Because Consolidated Communications is a necessary party to a full and

fair adjudication of this matter, the Commission will add Consolidated Communications as a party to this case.

The Act provides that an Interconnection or Resale Agreement must be approved unless the state commission finds that the Agreement discriminates against a telecommunications carrier not a party to the Agreement, or that implementation of the Agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an Agreement within 90 days after submission, the Agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Consolidated Communications is made a party to this case.

Or by using the Commission's electronic filing and information system (EFIS).
