Cancellation of Order

A Customer initiated request to discontinue processing a Service order, either in part or in its entirety, prior to its completion. Cancellation charges will be assessed for each Circuit-end or Dedicated Access line canceled from an order prior to its completion by the Company, under the following circumstances: (1) if the LEC has confirmed in writing to the Company that the Circuit-end or Dedicated Access line will be installed; or (2) if the Company has already submitted facilities orders to an interconnecting telephone company.

Channel or Circuit

A dedicated communications path between two or more points having a Bandwidth or Transmission Speed specified in this Tariff and selected by a Customer.

Commission

Missouri Public Service Commission

Company

CORECOMM MISSOURI, INC.

Company Recognized National Holidays

The following are Company Recognized National Holidays determined at the location of the originator of the Call. The Company observes the following federally recognized holidays: New Year's Day, Martin Luther King Day, President's Day, Memorial Day, July 4th, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day and Christmas Day. The evening rate is used unless a lower rate would normally apply. When a Call begins in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the Call occurring within that rate period. In the event that a minute is split between two rate periods, the rate in effect at the start of that minute applies.

Customer

The person, firm, corporation or governmental unit which orders Service and which is responsible for the payment of charges and for compliance with the Company's Tariff regulations. A Customer is considered to be an account for billing purposes. The term Customer also includes an entity that remains presubscribed to the Company Service after its account(s) are removed from the Company's billing system, subsequently continues to use Company's network, and is billed by a local exchange carrier for such use, or otherwise uses Service for which no other Customer is obligated to compensate Company.

Customer Premises/Customer's Premises

Locations designated by a Customer where Service is originated/terminated whether for its own communications needs or for the use of its resale customers.

Private Line

A dedicated transmission channel furnished to a Customer without intermediate switching arrangements for full-time Customer use.

Private Line Service

A dedicated full-time transmission Service utilizing dedicated access arrangements.

Rate Center

A specified geographical location used for determining mileage measurements.

Requested Service Date

The Requested Service Date is the date requested by the Customer for commencement of Service and agreed to by the Company.

Restore

To make Service operative following an interruption by repair, reassignment, re-routing, substitution of component parts, or otherwise, as determined by the carrier(s) involved.

Route Diversity

Two channels which are furnished partially or entirely over two physically separate routes.

Service

Service means any or all Service(s) provided pursuant to this Tariff.

Service Commitment Period

The term elected by the Customer and stated on the Service order during which the Company will provide the Services subscribed to by the Customer. The term can be monthly or in the case of Private Line Services for a period of up to 5 years.

Special Promotional Offerings

Special trial offerings, discounts, or modifications of its regular Service offerings which the Company may, from time to time, offer to its Customers for a particular Service. Such offerings may be limited to certain dates, times, and locations. The Company may from time to time engage in special promotional offerings designed to attract new customers or to increase existing customers awareness of a particular tariff offering. These promotions will be subject to prior notification and approval by the Commission.

Start of Service Date

The Requested Service Date or the date Service first is made available by the Company whichever is later.

Tariff

The current Intrastate Services Tariff and effective revisions thereto filed by the Company with the Missouri Public Service Commission.

Transmission Speed

Data transmission speed or rate, in bits per seconds (bps).

Twelve O'Clock

In designated time, 12:00 a.m. refers to 12:00 Midnight and 12:00 p.m. refers to 12:00 Noon.

Two-Way Conversation

A Two-Way Conversation is a telephone conversation between or among two or more parties.

VF

VF is voice frequency or voice-grade Service designed for private-line Service. Normal transmission is in the 300 hertz to 3000 hertz frequency band.

2.11. Method for Calculation of Airline Mileage

- 2.11.1. The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by reference to AT&T's Tariff F.C.C. No. 10 according to the following formula:

the square root of:
$$\frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.

Example:

	<u>V</u>	<u>H</u>
City 1	5004	1406
City 2	5987	3424

the square root of:
$$\frac{(5004-5987)^2 + (1406-3424)^2}{10}$$

The result is 709.83 miles. Any fractional miles are rounded to the next higher whole number; therefore, the airline mileage for this example is 710 miles.

3. DESCRIPTION OF SERVICES

3.1. Wide Area ("WATS") and Message ("MTS") Toll Services

- 3.1.1. The Company offers WATS and MTS intrastate interexchange and intraexchange long distance service utilizing switched or dedicated access arrangements between the Customers Premises and the Company's facilities for call origination. Call termination is completed through a combination of Company facilities and LEC switched access arrangements. The Company will participate in porting toll free numbers only if the account balance is zero (0) and all undisputed charges incurred as a result of the toll free number have been paid.

3.2. Switched Inbound Service

- 3.2.1. Switched inbound service permits inward calling (via 800 codes) to a specific location utilizing premium switched, Feature Group D access on both ends.
