STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On September 1, 2015, Embarq Missouri, Inc. d/b/a CenturyLink ("CenturyLink") filed an application with the Commission for approval of an interconnection agreement with AT&T Corp. ("AT&T") under the provisions of the federal Telecommunications Act of 1996. CenturyLink states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers. Both CenturyLink and AT&T are certificated Incumbent Local Exchange Telecommunications Companies.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, the Staff herein states that the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity.

WHEREFORE, the Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any subsequent modifications or amendments to the Interconnection Agreement.

Respectfully submitted,
