## ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING BIG RIVER A PARTY

Issue Date: April 8, 2021

Effective Date: April 8, 2021

This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the Interconnection Agreement, Big River Telephone Company, LLC (Big River) as a party to this proceeding.

On March 26, 2021, Southwestern Bell Telephone Company, d/b/a AT&T Missouri (AT&T Missouri) filed an application with the Commission for approval of an amendment to a negotiated Interconnection Agreement with Big River under the provisions of the Federal Telecommunications Act of 1996. On April 5, 2021, the Commission filed a Notice of Deficiency due to the application being incomplete. On April 7, 2021, AT&T Missouri filed an amended application correcting the deficiency. AT&T Missouri states that there are no unresolved issues and that the Agreement complies with Section 252(e) of the Act in that it is consistent with the public interest, convenient and necessary, and is not discriminatory to nonparty carriers.

Although Big River is a party to the Agreement, it did not join in the application. Because Big River is a necessary party to a full and fair adjudication of this matter, the Commission will add Big River as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the Agreement discriminates against a telecommunications carrier not a party to the Agreement, or that implementation of the Agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an Agreement within 90 days after submission, the Agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Big River is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than April 23, 2021, with:

Morris L. Woodruff, Secretary  
Missouri Public Service Commission  
Post Office Box 360  
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information system (EFIS).

<sup>1</sup> 47 U.S.C. § 252(e).
