**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission and submits its *Recommendation* as follows:

1. On May 20, 2022, Southwestern Bell Telephone Company, d/b/a AT&T Missouri (“AT&T Missouri”) filed with the Missouri Public Service Commission its *Application for Approval of an Amendment to a Negotiated Interconnection Agreement* between itself and CenturyLink Communications, LLC.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier. CenturyLink Communications, LLC is an interexchange company and a competitive local exchange carrier.

**WHEREFORE,** Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,

**/s/ Ron Irving**
