ORDER GRANTING FURTHER EXTENSION OF TIME

Issue Date: September 24, 2021

Effective Date: September 24, 2021

On April 26, 2021, Missouri-American Water Company (MAWC) filed applications to purchase and operate a water and sewer system in and around the City of Eureka, in St. Louis County, Missouri. The Commission directed a recommendation from the Staff of the Missouri Public Service Commission (Staff), which deadline was previously extended to September 27, 2021. On September 24, 2021, Staff filed a motion requesting a further short extension of time to October 1, 2021.

Staff’s request for a further short extension explains that its investigation is complete, but the process of finalizing Staff’s report requires a short extension of time. Staff’s motion indicates that counsel for MAWC does not object to Staff’s request for an extension to October 1, 2021.

The Commission considers the request to be reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff’s request for an extension of time to file its recommendation is granted. Staff shall submit its recommendation, or a status report as to when its recommendation will be completed, no later than October 1, 2021.

2. This order shall be effective when issued.
