File No. WA-2022-0311

#### STAFF'S REQUEST FOR A DEADLINE EXTENSION FOR STAFF RECOMMENDATION

**COMES NOW** the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, and requests a second extension of the deadline extension for its recommendation. It states as follows:

On May 10, 2022,<sup>1</sup> Missouri-American Water Company (MAWC) filed an application seeking a certificate of convenience and necessity (CCN) and authority to acquire a water and sewer system in and around the City of Stewartsville, Missouri, located in DeKalb and Clinton Counties. The Commission directed Staff to file a recommendation or deadline extension request no later than June 27. Staff filed an extension request on June 24 asking for an additional 90 days. The Commission granted the requested 90-extension and ordered Staff to submit its recommendation no later than September 26.

Staff and MAWC have been working together to revise the requested service area. A compromise has been reached, but Staff and the company need a small extension to complete the work. MAWC has agreed to a 15-day extension.

<sup>&</sup>lt;sup>1</sup> All date references will be to 2022 unless otherwise stated.

WHEREFORE, the Staff of the Missouri Public Service Commission, with MAWC's agreement, respectfully asks that the Commission issue its order extending the deadline for Staff's recommendation to no later than October 11, 2022; and for such other and further orders as the Commission may deem necessary.

Respectfully submitted,
