Re: Request for Interconnection & Compensation Arrangements

Dear Mr. Marks:

Our firm represents the following Local Exchange Companies (LECs) in the state of Missouri.

Goodman Telephone Company
Granby Telephone Company
Grand River Mutual Telephone Corporation
Lathrop Telephone Company
McDonald County Telephone Company
Oregon Farmers Mutual Telephone Company
Ozark Telephone Company
Seneca Telephone Company

These LECs have recently received billing records from their tandem provider, AT&T Missouri, indicating that Halo Wireless (Halo) is sending traffic through the AT&T tandems in Missouri, over the LEC-to-LEC (or Feature Group C) network for ultimate termination to customers served by these LECs. Currently, Halo has no agreement with any of these LECs to terminate this traffic.

Accordingly, these LECs request that Halo Wireless begin negotiations, pursuant to Section 251 of the Telecommunications Act, to establish appropriate interconnection arrangements (including reciprocal compensation) for the intraMTA wireless traffic that Halo Wireless is terminating to them.

Please acknowledge receipt of this letter and indicate Halo's willingness to begin negotiations towards an interconnection agreement for the exchange of, and compensation for, intraMTA wireless traffic. I look forward to hearing from you.

Sincerely,
