

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Application of Syniverse Technologies,)
Inc. for Approval of an Interconnection Agreement Under) **Case No. TK-2008-0344**
the Telecommunications Act of 1996)

**ORDER DIRECTING NOTICE AND MAKING SOUTHWESTERN BELL
TELEPHONE COMPANY D/B/A AT&T MISSOURI, A PARTY**

Issue Date: April 21, 2008

Effective Date: April 21, 2008

Syllabus: This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Southwestern Bell Telephone Company d/b/a AT&T Missouri ("AT&T"), as a party to this proceeding.

On April 16, 2008, Syniverse Technologies, Inc. ("Syniverse") filed an application with the Commission for approval of an interconnection agreement with AT&T under the provisions of the federal Telecommunications Act of 1996. Syniverse states that the agreement complies with Section 252(e) of the Act in that it is consistent with the public interest, convenience and necessity, and is not discriminatory to nonparty carriers. Syniverse requests expeditious approval of the agreement.

Although AT&T is a party to the agreement, it did not join in the application. Because AT&T is a necessary party to a full and fair adjudication of this matter, the Commission will add AT&T as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the

agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

IT IS ORDERED THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Southwestern Bell Telephone Company d/b/a AT&T Missouri is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than May 12, 2008, with:
