Mr. Steven Reed
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65203-0360

Dear Mr. Reed:

On July 25, 2011, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or Company) filed Original Sheet No. 98.21, a part of Schedule No. 5, Schedule of Rates for Electric Service, which bore an effective date of September 23, 2011 (so that it would take effect with the October billing month per the Company's Commission-approved fuel adjustment clause tariff (Rider FAC)). That tariff filing was part of the Company's 7th adjustment to its FPA_c rates under Rider FAC.

At the request of the Staff, the Company hereby withdraws Original Sheet No. 98.21, which was filed on July 25, 2011 in File No. YE-2012-0038, because there already exists an Original Sheet No. 98.21, which bears an issue date of July 18, 2011 and an effective date of July 31, 2011. In lieu of the now-withdrawn Original Sheet No. 98.21, which was filed on July 25, 2011, the Company hereby submits 5th Revised Sheet No. 98.14, which as of its effective date (also September 23, 2011) will supersede 4th Revised Sheet No. 98.14.

The values and calculations contained on 5th Revised Sheet No. 98.14, along with the underlying data, are identical to Original Sheet No. 98.21, which was filed on July 25, 2011, except for the designation of the sheet numbers themselves. 5th Revised Sheet No. 98.14 (as did Original Sheet No. 98.21, which was filed on July 25, 2011) contains the applicable values for proper calculation of the FPA_c rates to apply to customers' bills starting September 23, 2011, with 4th Revised Sheet No. 98.14 to continue to apply in the calculation of the FPA_c rates through September 22, 2011. As a result of this adjustment, the FPA_c rates will decrease from those in effect through September 22, 2011.

Sincerely,

Thomas M. Byrne

Thomas M. Byrne
