Case No. _____

3. On this same date, BPS Long Distance is filing a tariff sheet authorizing it to collect the Missouri Universal Service Fund surcharge from its customers. This tariff was not filed earlier because it was inadvertently omitted when counsel for BPS Long Distance was preparing and filing numerous Missouri Universal Service Fund tariffs for the companies represented by the firm. BPS Long Distance requests that the Commission approve this tariff on an expedited basis so that the company may begin collecting the surcharge from its customers as ordered by the Commission.

Wherefore BPS Long Distance respectfully requests that the Commission grant its Motion for Expedited Treatment and approve the tariff sheet authorizing it to collect the Missouri Universal Service Fund Surcharge from its customers as quickly as possible.

Respectfully submitted,
