

**Greater Jefferson City Construction
Company, Inc., and Edward P. Storey,**
Complainants,

v.

Aqua Missouri, Inc.,

Respondent.

Aqua Missouri, Inc.,)
)
 Respondent.)

On March 20, 2007, Aqua Missouri filed its Request for Mediation. Complainants have not responded to this request, and the Request for Mediation is still pending. Accordingly, the time for Aqua Missouri to file its response to the Complaint has been tolled, and there is no

deadline for Aqua Missouri to file its response. However, the Commission's order directing Staff to file a report of its investigation of the Complaint has not been suspended, and the report is due on March 27, 2007.

The Commission's February 20 order contemplated that the Staff would file its report a few days after Aqua Missouri files its response to the Complaint. The Staff requests that the Commission's order directing it to file a report of its investigation be suspended, so that the Staff's report will not be due until a few days after Aqua Missouri files its answer, if any is filed, so that its report may address issues raised in the answer. No party will be harmed if the Staff's report is not filed until after the conclusion of the mediation process.

WHEREFORE, the Staff moves the Commission for its order suspending the order directing Staff to file a report of its investigation until after the conclusion of the mediation process and until after Aqua Missouri files its answer, if any.

Respectfully submitted,

/s/ Keith R. Krueger
