OF THE STATE OF MISSOURI**

In the Matter of the Transfer of Assets of	)	
Swiss Villa Utilities, Inc. to the Black Oak	)	
Mountain Resort Property Owners Association	)	<b><u>Case No. WO-2007-0410</u></b>

**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), by and through counsel, as directed by the Commission’s *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

1. This report covers the period of February 1, 2009 to February 28, 2009 and serves as the “monthly status report” for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

2. During this period, the attorney retained on behalf of Black Oak Mountain Utilities, Inc., the entity expected to become the non-profit water and sewer utility corporation, continued his review for compliance of the entity’s Bylaws and Articles of Incorporation with the Missouri non-profit corporation statutes. John View, an organizer of the utility entity, has indicated to Staff that he is attempting to schedule a conference with the attorney to discuss the organization.

3. Furthermore, Staff notes that during the period covered by this filing the utility experienced decreased system production such that twelve (12) sections of the “drop pipe” component of the well system had to be repaired, at an estimated cost of \$7,500. Staff is operating under information and belief that the system has been restored and is fully operational.

**WHEREFORE**, Staff submits this *Status Report* for the Commission’s information.

Respectfully Submitted,

/s/ Eric Dearmont
