RESPONSE TO ANSWER

COMES NOW, Hancock Construction and hereby responses to Respondent's 10/18/02 answer. Hancock Construction believes Respondent's answer is impeachable. The Respondent's arguments are not reliable and are gross misrepresentations. In support Hancock Construction offers the following:

Paragraph 10 of Respondent's Answer alleges the Golden Glade Well is an MDNR approved water supply for Eagle Woods. MDNR has never issued a permit for the Golden Glade Well to dispense water to anyone.

WHEREFORE, Hancock Construction respectfully requests that this Commission grant the Request for Intervention, expedited treatment and allow the October 24, 2002 evidentiary hearing to be conducted in the manner suggested in the Staff's Complaint at paragraph 49, in an expedited and emergency manner.

Respectfully submitted,
