ORDER GRANTING THE STAFF OF THE COMMISSION'S
MOTION TO SUSPEND

Issue Date: March 28, 2007

Effective Date: March 28, 2007

On February 20, 2007 the Missouri Public Service Commission directed its Staff to file by March 27 a report of its investigation into the above captioned case. That order also allowed Aqua Missouri, Inc. to file a request for voluntary mediation. Aqua filed its request for mediation on March 20. Thus far, Greater Jefferson City Construction Company, LLC, and Edward P. Storey have not responded to that request. Commission rule 4 CSR 240-2.080(15) requires that responsive pleadings be filed within ten days. The Commission will therefore allow ten days for Complainants' to oppose the request. In the absence of opposition, the Commission will grant the request for mediation.

The Commission realizes that if the request for mediation is granted and the matter resolved through such mediation, Staff's report would be filed in vain. The Commission will therefore grant Staff's request.

IT IS ORDERED THAT:

1. The Staff of the Commission's motion to suspend the order that it file its report of an investigation in this matter is granted.
2. The Staff of the Commission shall not file a report unless Staff is later directed to do so.
3. This order shall become effective on March 28, 2007.
