Re: Rogue Creek Utilities, Inc.
Case No. WO-2007-0344

Dear Ms. Dale:

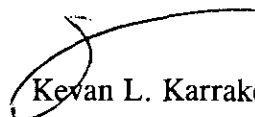

Ack! I wrote my first draft of my last letter to you on the 16th, amended it the 18th, but forgot to redate it. I apologize for any confusion that error may have caused.

Second "ack!," I meant to say in that first correspondence that when suit is ready to be filed, if it will help, the Commission's attorney can send a copy of the petition to me and I will accept service for Mr. Rummel, saving the cost to have him served (and saving him the upset of having a deputy sheriff hand him a summons).

Perhaps the lack of mention of accepting service was just as well, as my first letter was somewhat rambling anyway. I will try to be clearer in the future, but please feel free to let me know of any questions or if I can help keep this matter as simple as possible.

Thank you. I remain

Very truly yours,

Kevan L. Karraker
