Case No. PM-2002-1089

SUPPLEMENT TO APPLICATION

COME NOW Davel Communications, Inc. ("Davel") and PhoneTel Technologies, Inc. ("PhoneTel") (collectively the "Applicants") and in response to the Commission's Order Directing Filing issued July 1, 2002 supplement their application in this matter as follows:

1. For the sole purpose of effecting the merger of Davel Communications, Inc. and PhoneTel Technologies, Inc. under Ohio law, PT Merger Corp. was created as a transitory merger subsidiary of Davel Financing Company, LLC (which is a subsidiary of Davel Communications, Inc.) PT Merger Corp. is a shell corporation that does no business and will be merged out of existence in the merger. In the merger, PT Merger Corp. will merge with and into PhoneTel Technologies, Inc. with PhoneTel surviving as a direct, wholly owned subsidiary of Davel Financing Company, LLC and an indirect, wholly owned subsidiary of Davel Communications, Inc.

2. Use of PT Merger Corp. as explained above does not change the end result of the merger process. After closing, PhoneTel will become a wholly owned subsidiary of Davel, and PhoneTel will maintain its separate legal and corporate identities and will continue to operate under its existing names and certifications, where granted, for the foreseeable future.

WHEREFORE, based upon their application and the foregoing supplement thereto, Davel Communications, Inc. and PhoneTel Technologies, Inc. respectfully request that the Missouri Public Service Commission grant approval of the proposed merger. Applicants also renew their motion to

expedite, and request approval on or before July 10, 2002 for reasons set forth in the motion.

Respectfully submitted,
