STAFF’S MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and for its *Motion for Extension of Time* to file Staff’s recommendation, states as follows:

1. On October 8, 2015, Stuart Solin filed a complaint against Missouri-American Water Company (“Company”).
2. On October 13, 2015, the Commission issued an *Order* directing Staff to investigate and file a report no later than November 27, 2015.
3. On November 19, 2015, Staff received answers to all of its data requests, which were due on November 18, 2015. As recently as yesterday, Staff is continuing to receive additional supporting information in this case. Given the timing of this filing in relation to the upcoming holiday, and in order ensure a reasonable amount of time to receive and adequately review the information contained in these data requests, Staff requests an additional two weeks to complete Staff’s analysis and file Staff’s recommendation.

WHEREFORE, Staff respectfully requests that the Commission grant Staff's request for additional time and thereby extend the date by which Staff is to complete Staff's report to December 11, 2015.

Respectfully submitted,

/s/ Marcella L. Mueth
