The Commission will set a deadline for Respondent to file an answer. In the alternative, the Respondent may file a written request that the complaint be referred to a neutral third-party mediator for voluntary mediation of the complaint. mediation. If Complainants agree to mediation, the time period within which an answer is due shall be suspended pending the resolution of the mediation process. Additional information regarding the mediation process is enclosed. If Complainants decline the opportunity to seek mediation, Respondent will be notified in writing that the tolling has ceased and will also be notified of the date by which an answer or notice of satisfaction must be filed. That period will usually be the remainder of the original 30-day period.

As required by Section 536.067(2)(f), RSMo 2000, the Commission informs the parties that the Commission's provisions governing procedures before the Commission, including provisions relating to discovery, are found at Commission Rule 4 CSR 240-2.090. The Commission will also set a deadline for its Staff to complete an investigation and file a report.
