**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at its office in
Jefferson City on the 18th day
of March, 2004.

The Staff of the Missouri Public Service
Commission,

Complainant,

v.

STI Merger Co.,

Respondent.

Case No. TC-2004-0366

**ORDER GRANTING DEFAULT AND
CANCELING CERTIFICATE AND TARIFF**

Syllabus: This order finds STI Merger Co., in default and cancels its certificate of service authority to provide intrastate interexchange telecommunications services in the state of Missouri and the related tariff.

On February 6, 2004, the Staff of the Commission filed a complaint against STI. In that complaint, Staff alleges that STI did not file its 2002 annual report. Staff also alleges that STI did not pay its annual assessment to the Commission for Fiscal Years 2003 and 2004. Staff's complaint does not allege the dollar amount of the assessments that STI failed to pay because Staff is concerned that unless the Commission orders that the assessment amounts may be made public, such disclosure might be improper under Section 386.480, RSMo. For that reason, Staff asks the Commission to formally find that the Staff may publicly disclose the amount of the unpaid assessments. Staff's complaint

requests authority, as provided in Section 386.600, RSMo 2000, to bring a penalty action in circuit court against STI for its failure to file its annual report, and its failure to pay its annual assessments.

On February 11, the Commission issued a Notice of Complaint that informed STI of Staff's Complaint and directed it to file an answer within 30 days of the date of the notice. The Notice of Complaint was delivered to STI by certified mail, return receipt requested, on February 12 and February 17. STI's answer was due no later than March 12. STI did not file an answer.

Commission Rule 4 CSR 240-2.070(9) provides that if a respondent fails to timely respond to a complaint, the Commission may deem the complaint admitted, and may enter an order granting default.¹ STI has failed to file a timely response to Staff's complaint. Therefore, the Commission finds that STI is in default and that Staff's allegations are admitted.

Staff's complaint also asks that STI's certificate of service authority and accompanying tariff be canceled if it fails to respond to the complaint. The Commission will grant the requested relief.

The Commission further finds that the amount of STI's annual Commission assessment should be public information. Therefore, Staff will be authorized to make that information available to the public.

¹ That rule also allows the Commission to set aside a default order if the respondent files a motion to set aside the order within seven days of issue date of the order granting default, and if the Commission finds good cause for the respondent's failure to timely respond to the complaint.

IT IS THEREFORE ORDERED:

1. That default is hereby entered against Respondent, STI Merger Co., and the averments of Staff's complaint are deemed admitted.
2. That the General Counsel of the Commission is directed to bring a penalty action against STI Merger Co. in circuit court.
3. That the Staff of the Commission shall treat the amount of STI Merger Co.'s unpaid annual assessments as public information.
4. That the certificate of service authority to provide interexchange telecommunications services granted to STI Merger Co. in Case No. TA-2001-333, is canceled.
5. That STI Merger Co.'s tariff – P.S.C. Mo. Tariff No. 1 – is canceled.
6. That this order shall become effective on March 28, 2004.
