COMMENTS IN SUPPORT OF STAFF RECOMMENDATION

Comes Now Utility Management of Missouri, LLC (“UMM”), by and through its counsel, in response to the Missouri Public Service Commission’s *Order Directing Filing*, and states as follows:

1. On January 10, 2018, Staff of the Missouri Public Service Commission filed its *Staff Recommendation*, recommending the Commission approve the transfer of assets from PCB, Inc. to Jefferson County Public Sewer District (“JCPSD”) as requested, with six additional recommendations.
2. UMM in its capacity as court appointed receiver of PCB, Inc., fully supports Staff’s recommendations. UMM requests that, based on the *Staff Recommendation*, the Commission approve the transfer of assets from PCB, Inc. to JCPSD at its earliest possible convenience.
3. PCB, Inc. is in receivership, and thus, UMM, in its capacity as court appointed receiver of PCB, Inc., will in conjunction with Jefferson County Public Sewer District provide the recommended reports and notices and otherwise comply with the recommended conditions.

WHEREFORE, for the above stated reasons, Utility Management of Missouri, LLC supports the *Staff Recommendation* and requests the Commission approve the Joint Application at its earliest possible convenience.

Respectfully submitted,
