Subject: Missouri Public Service Commission Annual Assessment

Dear Robert J. Quinn, Jr.:

Viva Telecom, LLC's business relationship did not materialize in Missouri, as we anticipated. Therefore, we have requested a cancellation of our registration with the Missouri Public Service Commission.

Due to the fact that we have not done business in Missouri, it is our understanding from speaking with your office that we should not be charged this annual assessment.

Thank you for your assistance in this matter. If you have any questions, please contact our legal assistant, Mary Timmins, at the number listed below.

Sincerely,

VIVA TELECOM, LLC
