NOTICE REGARDING CONFERENCE AND AGENDA SESSION

Issue Date: October 18, 2005

On September 29, 2005, the Commission held a conference in this matter. During that conference, it was suggested that the Commission hold an informal conference in October, at which the parties and the Commissioners further discuss this case. It was also suggested that, in keeping with the informal nature of the conference, it would not be necessary to have a transcript made of the proceeding.

On October 6, 2005, the Commission's Staff filed a Status Report indicating that the parties have scheduled an informal conference for October 19, 2005, at 1:30 p.m. in the Commission's conference room 510. The Status Report did not indicate whether the parties expected the Commissioners to be present at this conference. The Commission hereby notifies the parties that the Commission will not participate in the October 19 conference. Instead, the Commission anticipates scheduling a special Agenda session for

the morning of November 18, 2005. The Commission will expect the parties to attend and participate in this Agenda discussion.
