**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On June 24, 2022, Time Warner Cable Information Services (Missouri), LLC d/b/a Time Warner Cable (TWCIS), filed an application with the Commission for approval of a negotiated Interconnection Agreement with MoKan Dial, Inc. under the provisions of the Federal Telecommunications Act of 1996.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. TWCIS is certificated with the Commission as a competitive local exchange and interexchange carrier. MoKan Dial, Inc. is certificated with the Commission as an incumbent local exchange carrier.

**WHEREFORE,** Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,
