**Re: Relinquishment of Cable & Wireless USA, Inc. Certificate and Authorization to Provide Service in Case No. TA-2001-505**

Dear Judge Roberts:

Cable & Wireless USA, Inc. (C&W USA) hereby requests cancellation of the above-referenced certificate or authorization to provide service in your state.

On December 8, 2003, C&W USA filed voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code in the US Bankruptcy Court for the District of Delaware. *See In re: Cable & Wireless USA, Inc., et al.*, Case No.03-13711 (GCG) (Bankr.D.DE.). As a result of this filing, certain of C&W USA's assets were purchased through the bankruptcy auction process. When the process of the transfer of those assets was completed on March 5, 2004, C&W USA was no longer providing telecommunications service in your state.

C&W USA has no customers in your state that will be impacted by this relinquishment request and therefore no customers to notify. Concurrent with the cancellation of its authority to provide telecommunications services in your state, C&W USA also respectfully requests that its intrastate tariffs be cancelled.

Enclosed for your use are an original and one copy of this filing for your records. Please date stamp and return the "stamp and return" copy in the enclosed self-addressed stamped envelope to acknowledge receipt. If there are any additional forms that need to be completed or if you need additional information to effectuate this request, please contact me.

Respectfully submitted,

Cathy L. Slesinger
