Case No. TO-2006-0360

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission and for its status report states:

1. On March 17, 2006, NuVox Communications of Missouri, Inc. filed an application for an investigation into the wire centers that AT&T Missouri asserts are non-impaired under the Federal Communications Commission's Triennial Review Remand Order.

2. On March 24, 2006, the Commission directed the Staff to file a status report no later than March 31, 2006, informing the Commission of a date certain on which Staff will file a recommendation in this matter.

3. The Staff notes that AT&T Missouri is not yet a party to this case and has not yet responded to NuVox's application. The Staff suggests that AT&T Missouri is a necessary party to this case.

4. The Staff suggests that this case is not yet ripe for a Staff recommendation. The Staff requests the Commission to convene a scheduling conference for the parties to discuss whether and how to proceed in this case.

WHEREFORE, the Staff requests the Commission to make AT&T Missouri a party to this case, to convene a scheduling conference, and to direct AT&T to file a response to the application before the scheduling conference.

Respectfully submitted,

/s/ William K. Haas
