STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission and for its status report states:

1.   On April 13, 2007, Trinsic Communications, Inc., and Touch 1 Communications, Inc., (collectively, Trinsic) and Matrix Telecom, Inc., filed a joint application with the Commission for the transfer of control of Trinsic's assets used to provide local and long distance telecommunications services to Matrix. Simultaneously with the application, Trinsic and Matrix filed a Motion for Expedited Treatment.

2.   The Commission has directed the Staff to file its recommendation, or a status report indicating the earliest date on which it expects to file its recommendation, no later than May 14, 2007.

3.   Paragraph 10 of the Application states "this transaction will not affect rates for, or terms or conditions of, any service being provided by Trinsic to customers in Missouri." On April 19, 2007, Staff's counsel suggested to Applicant's counsel that Matrix should add Trinsic's rate plans to Matrix's tariffs to achieve this result.

4.   The Staff believes that Matrix is planning to add Trinsic's rate plans to its tariffs.

5.   The Staff intends to file either its recommendation or a second status report no later than May 22, 2007.

Respectfully submitted,

/s/ William K. Haas
