CORRECTION ORDER

Issue Date: July 9, 2007

Effective Date: July 9, 2007

On July 3, 2007, the Commission issued an order in this matter. Among other things, the order stated that the Commission's Staff would be directed to "begin the necessary inquiries to advise the Commission regarding the economic impact, technical feasibility, and consistency with Section 254." However, a paragraph specifically ordering the investigation was inadvertently omitted. This order corrects that omission.

IT IS ORDERED THAT:

1. The Staff of the Commission shall conduct an investigation as set out above and shall file a status report indicating when it expects to be able to file a recommendation no later than July 25, 2007

2. This order shall become effective on July 9, 2007.
