ORDER APPROVING TARIFF FILINGS IN COMPLIANCE WITH COMMISSION ORDER

Issue Date: October 12, 2007

Effective Date: October 22, 2007

On October 10, 2007,¹ Missouri American Water Company ("MAWC") filed revised tariff sheets to be in compliance with the Commission's October 4 Report and Order granting MAWC a general rate increase for provision of water and sewer services. The new tariff filings were assigned the following tracking numbers: YW-2008-0219, YW-2008-0220, YW-2008-0221, YW-2008-0222, YW-2008-0223, YW-2008-0224, YS-2008-0225, YS-2008-0226, and YS-2008-0227, and all bore an effective date of November 9.

Along with the revised tariffs, MAWC filed a motion for expedited treatment requesting the Commission to approve the revised tariffs to be effective October 14. In support of its motion, MAWC stated that the revised "tariff sheets have been filed in compliance with the Commission's Report and Order and are designed to address a revenue deficiency that the Commission has found to exist at this time." MAWC further asserts that the signatories to the joint recommendation, the majority of the parties, had recommended that the rates approved by the Commission become effective on

¹ All dates throughout this order refer to the year 2007 unless otherwise noted.

October 4. Therefore, MAWC believes that this is an indication by the majority of the parties that they believe rate relief is appropriate at this time and should not be delayed.

The Commission directed its Staff to review the tariff sheets and file a report and recommendation expeditiously stating whether MAWC's current tariff filings were in compliance with the Commission's October 4 Report and Order. On October 12, the Staff filed its recommendation. Staff reviewed the filed tariff sheets and states that the tariff sheets are in compliance with the Commission's Order. Staff supports the approval of the tariff sheets.

The Commission has reviewed the tariff filings and Staff's verified recommendation and memorandum, which is hereby admitted into evidence. After considering Staff's recommendation, and for good cause shown pursuant to Section 393.140(11), RSMo 2000, the Commission concludes that the proposed tariff sheets are consistent with the Commission's Report and Order and should be approved expeditiously.

However, the Commission does not wish to curtail any proper party's due process rights to fully examine the tariffs and/or raise any appropriate objections or concerns. Consequently, the Commission will approve the tariffs to become effective for service rendered on and after October 22. This ten-day effective order gives all of the parties adequate time to review the tariffs and prevents any additional unreasonable delay that would preclude MAWC from earning the just and reasonable rates the Commission has authorized through the Report and Order.

IT IS ORDERED THAT:

1. The Motion for Expedited Treatment filed by Missouri American Water Company is granted.

2. The tariff sheets filed by Missouri American Water Company on October 10, 2007, pursuant to the Commission's October 4, 2007 Report and Order, assigned Tariff Tracking Numbers YW-2008-0219, YW-2008-0220, YW-2008-0221, YW-2008-0222, YW-2008-0223, YW-2008-0224, YS-2008-0225, YS-2008-0226, and YS-2008-0227, bearing an effective date of November 9, 2007, are approved to become effective on October 22, 2007.
