**ORDER DIRECTING FILING**

Issue Date: July 18, 2007

Effective Date: July 18, 2007

On July 13, 2007, Missouri-American Water Company (Missouri-American) filed applications with the Missouri Public Service Commission, pursuant to Section 393.170, RSMo 2000, requesting that the Commission grant it authority to provide water service and sewer service to an unincorporated portion of Warren County, Missouri. Separate cases were opened to consider certification of the water and sewer systems. Finding that the issues in the water certification case, Case No. WA-2008-0012, are clearly related to those in the sewer certification case, Case No. SA-2008-0019, the Commission issued an order dated July 18, 2007, consolidating these two cases and designated Case No. WA-2008-0012 as the lead case.

In making its decision, the Commission would be aided by a recommendation from its Staff. Therefore, the Commission will direct its Staff to file a recommendation or a status report indicating the date on which it expects to file its recommendation regarding Missouri-American's applications.

**IT IS ORDERED THAT:**

1. The Staff of the Missouri Public Service Commission shall file its recommendation or a status report indicating when it expects to file a recommendation, no later than August 30, 2007.
2. This order shall become effective on July 18, 2007.
