ORDER ESTABLISHING TIME FOR RESPONSE

Issue Date: September 26, 2007

Effective Date: September 26, 2007

On July 13, 2007, Missouri-American Water Company (Missouri-American) filed applications with the Missouri Public Service Commission, pursuant to Section 393.170, RSMo 2000, requesting that the Commission grant it authority to provide water service and sewer service to an unincorporated portion of Warren County, Missouri. Separate cases were opened to consider certification of the water and sewer systems. Finding that the issues in the water certification case, Case No. WA-2008-0012, are clearly related to those in the sewer certification case, Case No. SA-2008-0019, the Commission issued an order dated July 18, 2007, consolidating these two cases and designated Case No. WA-2008-0012 as the lead case.

On September 21, 2007, the Staff of the Missouri Public Service Commission filed its recommendation in this matter. The Commission will establish a deadline for responses to Staff's recommendation.

IT IS ORDERED THAT:

1. Any party wishing to respond to the Staff of the Missouri Public Service Commission's recommendation in this matter shall file its response no later than October 2, 2007.
2. This order shall become effective on September 26, 2007.
