

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Name Recognition of)	
Nexus Communications, Inc. d/b/a)	<u>File No. TO-2012-0110</u>
Reachout Wireless)	

STAFF MOTION FOR CLARIFICATION

COMES NOW the Staff of the Missouri Public Service Commission and for its motion, states as follows:

1. Nexus Communications, Inc. is a certificated interexchange telecommunications company (XA-2004-0214) and competitive local exchange telecommunications company (CA-2004-0204). Nexus Communications, Inc. is also a wireless carrier, designated by the Missouri Public Service Commission as an Eligible Telecommunications Carrier (“ETC”) for the purpose of receiving federal universal service fund support for low income customers through Lifeline and LinkUp programs.

2. On October 18, 2011, the Commission recognized that Nexus Communications, Inc. had adopted and may lawfully use the name “Reachout Wireless” for its wireless services in Missouri.

3. In a recent review of Reachout Wireless, the Staff noticed that the Order Recognizing Additional Name simply allows Nexus to use either or both names interchangeably. This should not be the case. All activities of the certificated telecommunications company should be conducted under the name “Nexus

Communications, Inc.” All activities of the wireless company providing Lifeline service as a designated ETC should be conducted under the name “Reachout Wireless.”

WHEREFORE, the Staff moves that the Commission clarify its Order to make it clear that Nexus Communications, Inc. is the only name under which the company may conduct its certificated business and that Reachout Wireless is the only name under which the company may conduct its wireless Lifeline ETC business.

Respectfully submitted,

Colleen M. Dale
