

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)
Certificate of Service Authority and)
Accompanying Tariff of Quick Tel, Inc.)

Case No. XD-2006-

**MOTION TO OPEN CASE AND CANCEL CERTIFICATE OF SERVICE
AUTHORITY AND ACCOMPANYING TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves that the Commission open a case and cancel Quick Tel, Inc.'s certificate of service authority to provide intrastate interexchange telecommunications services as well as its tariff. In support of its Motion, Staff respectfully states as follows:

1. On May 15, 2001, the Missouri Public Service Commission (Commission) granted a certificate of service authority to provide intrastate interexchange telecommunications services to Quick Tel, Inc., in Case No. TA-2001-519. The Commission also approved Quick Tel, Inc.'s tariff, P.S.C. Mo. Tariff No. 1.

2. Quick Tel, Inc. has indicated in its confidential Statement of Revenue it submitted to the Commission that it is no longer in business. In that document, the company's representative indicated that it was reporting no Missouri jurisdictional revenue and that it no longer wished to maintain its operating certificate in Missouri. The notarized statement of revenue containing this statement was submitted to the Commission by the president of the company and is available on a highly confidential basis from the Commission's Electronic Filing and Information System.

3. Quick Tel, Inc. has no past due annual reports or assessments to the Commission. No formal complaints have been filed against the company since the commencement of the Electronic Filing and Information System.

4. Quick Tel, Inc. is a Delaware corporation, and its authority to do business in the state of Missouri was revoked November 7, 2001 for failing to file its annual registration report, according to the Missouri Secretary of State's office. Section 351.602.3 RSMo. (2000) states that "[t]he authority of a foreign corporation to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority."

5. Because Quick Tel, Inc. has requested cancellation of its certificate and because it is not providing telecommunications service in Missouri, the Staff recommends that the Commission issue an order canceling Quick Tel, Inc.'s certificate and tariff.

6. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo (Supp. 2005), which provides:

"Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

7. This pleading is being served on the address provided by the company to the Commission via certified mail, as well as upon its Missouri registered agent.

WHEREFORE, the Staff recommends the Commission cancel the certificate of service authority of Quick Tel, Inc. to provide intrastate interexchange telecommunications services and the accompanying tariff, P.S.C. Mo. Tariff No. 1.

Respectfully submitted,

/s/ **David Meyer**
