RE: Aqua Missouri, Inc. (R/U) Utility Small Company Rate Increase Request
Tariff Filing to Establish Formal Rate Case Docket
MO PSC Work I.D. No. WR-2010-0025

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Water Company Rate Increase Request (Disposition Agreement) between the Aqua Missouri, Inc. (R/U) (Company) and the Commission Staff (Staff) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on July 15, 2009 under the provisions of the Commission's small company rate increase procedure, and the request was assigned the above-referenced tracking number.

Since the above-referenced Disposition Agreement is only between the Company and Staff, the enclosed tariff sheets bear an effective date that is more than 45 days from the issue date, as is required by the small company rate increase procedure. As is also required by the small company rate increase procedure, the Company will be sending a notice to its customers regarding the terms of the Disposition Agreement and will provide a copy of that notice to you for placement in the case file when it is mailed to the customers. Additionally, please be advised that it is my understanding that the Staff will be filing the Disposition Agreement with the Commission.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$ 125,325 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,
AQUA MISSOURI, INC.

Terry Rakocy
President

- (d) The Customer's water service lines shall be brought to the unit at a depth of not less than thirty-six (36) inches and have a minimum inside diameter of 3/4 of an inch upon entering the building. The service line shall be valved. This valve must be kept in good repair in order to shut off the water, supply and drain the inside plumbing, if necessary.
- (e) The Customer's water service lines and inside piping shall be of material conforming to recognized standards for potable water service, shall have a pressure rating of at least 160 psi working pressure, and shall not contain any lead material. *
- (f) The Company will not install a service connection to a vacant lot.
- (g) Any change in the location of an existing service connection requested by the Customer shall be made at the customer's expense. *
- (h) The Company shall have the right to enter the Customer's premises for purposes of inspection to ensure compliance to these Rules and Regulations. The Company personnel shall identify themselves and make these inspections only at reasonable hours.

Rules and Regulations Governing Rendering of Service

Rule 10 BILLS FOR SERVICE

- (a) The charges for water service shall be at the rates specified in the rate schedules on file with the Missouri Public Service Commission. Service charges for connection (turn-on) or disconnection (turn-off) are set forth in the Schedule of Service Charges.
- * (b) A Customer who has made application for water service to a unit shall be held responsible for all water service provided to the customer at said unit until the Customer notifies the Company to discontinue service.
- (c) Each Customer is responsible for furnishing the Company with his correct address. Failure to receive bills will not be considered an excuse for nonpayment nor reason to permit an extension of the date when the account would be considered delinquent. Bills and notices relating to the Company or its business will be mailed or delivered to the mailing address entered in the Customer's application unless the Company is notified in writing by the Customer of a change of address.
- * (d) Payments may be mailed or made by electronic payment methods to the Company, or made at such other places as designated by the Company. Payment must be received by the close of business on the date due.
