In the Matter of Veolia Energy Kansas City,     )  
Inc.'s Adjustment to Its PACC Tariff            )     Case No. HT-2020-0223

**VICINITY’S RESPONSE TO ORDER DIRECTING FILING**

COMES NOW Vicinity Energy Kansas City, Inc. (“Vicinity” or “Company”)<sup>1</sup> and files its response to the Commission’s Order Directing Filing dated March 5, 2020 (“Order”). For its response, Vicinity states as follows:

1.     In its Order, the Commission notes a discrepancy between the version numbering of Tariff Sheet 37 as filed by Vicinity and as recommended for approval by the Staff of the Commission. That discrepancy was the result of Vicinity not updating the version of Tariff Sheet 37 in the filing that initiated this case. Concurrently with this filing, Vicinity has filed a substitute Tariff Sheet 37 that remedies the issue.

WHEREFORE, Vicinity submits this response to the Commission’s Order.

Respectfully submitted,
