**ORDER EXTENDING TIME FOR STAFF TO FILE A RECOMMENDATION**

Issue Date: January 9, 2006

Effective Date: January 9, 2006

On June 2, 2005, Lake Region Water & Sewer Company filed an application requesting authority to provide water and sewer service to an unincorporated portion of Camden County, Missouri. The Commission directed its Staff to file a recommendation regarding that application no later than August 26. At the request of Staff, the date for the filing of a recommendation was extended to October 25, and then again to December 27. On December 27, Staff filed a request for a further extension of time in which to file its recommendation.

Staff explained that it is involved in negotiations with the company and the developer of the subdivision that the company intends to serve. Those negotiations will affect the development of an appropriate customer connection charge. As a result of the continuing discussions, Staff will require additional time to file its recommendation. Consequently, Staff requests that it be allowed until February 27 to file its recommendation.

Staff's request is reasonable and is not opposed by any party. It will be granted.

**IT IS THEREFORE ORDERED:**

1. That the Staff of the Commission shall file a recommendation regarding the application of Lake Region Water & Sewer Company, no later than February 27, 2006.
2. That this order shall become effective on January 9, 2006.
