ORDER CONSOLIDATING CASES

Issue Date: July 18, 2007

Effective Date: July 18, 2007

On July 13, 2007, Missouri-American Water Company ("Missouri-American") filed an application for a certificate of convenience and necessity to operate a water and sewer system in Warren County. Separate cases were opened to consider certification of the water and sewer systems.

Commission Rule 4 CSR 240-2.110(3) allows the Commission to consolidate pending actions involving related questions of law or fact. The issues in WA-2008-0012 are clearly related to those in Case No. SA-2008-0019. Keeping the cases separate would not provide any benefit, and would require duplicate filings of every pleading and order. Therefore, the cases should be consolidated for all purposes. Case No. WA-2008-0012 will be designated as the lead case and hereafter all pleadings filed in the consolidated case will be filed in WA-2008-0012.

IT IS ORDERED THAT:

1. Case No. SA-2008-0019 is consolidated with Case No. WA-2008-0012. Case No. WA-2008-0012 is designated as the lead case.
2. This order shall become effective on July 18, 2007.
