ORDER DIRECTING NOTICE AND SETTING DATE FOR SUBMISSION
OF INTERVENTION REQUESTS

Issue Date: July 18, 2007

Effective Date: July 18, 2007

On July 13, 2007, pursuant to Section 393.170, RSMo 2000, and Commission Rules 4 CSR 240-2.060, 4 CSR 240-3.305, and 4 CSR-3.600, Missouri-American Water Company ("Missouri-American") filed two applications (as captioned in the styles of these cases above) with the Missouri Public Service Commission. Missouri-American requests that the Commission grant it authority "to install, own, acquire, construct, operate, control, manage, and maintain a water and sewer system for the public in an incorporated area of Warren County, Missouri. Specifically, the water and sewer service would be provided to the public located in Incline Village, a new development.

Separate cases were opened to consider certification of the water and sewer systems. Finding that the issues in the water certification case, Case No. WA-2008-0012, are clearly related to those in the sewer certification case, Case No. SA-2008-0019, the Commission issued an order dated July 18, 2007, consolidating these two cases and designated Case No. WA-2008-0012 as the lead case.

The Commission finds that notice of these applications should be given to the general public and interested parties and that a date for intervention of proper parties should be set. The Commission's Data Center shall mail a copy of this notice to the County Commission of Warren County, and to the Department of Natural Resources of the State of Missouri. In addition, the Commission's public information officer shall make notice of this order available to the media serving Warren County and to the members of the General Assembly representing Warren County.

The requirement of a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If no proper party or governmental entity is granted intervention and neither the Commission's Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary.

IT IS ORDERED THAT:

1. The Missouri Public Service Commission's Data Center is ordered to serve notice as set out herein.
2. The Missouri Public Service Commission's information officer is ordered to serve notice as set out herein.
3. Any proper person wishing to intervene shall file an application to do so no later than August 6, 2007. Such applications shall be filed with:

Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

with a copy served on:

and:

4. This order shall become effective on July 18, 2007.
